DETAILED ACTION

Drawings

The drawings were received on 06/13/06. These drawings are approved.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

A) In claim 1, line 3, delete the words "the or".

2. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose, in combination with all the limitations, a wavefarm having a number of wave energy converters, each having one float and being able to move in two positions for generating electricity and second position for protecting the float and having a control arrangement in which the electrical energy generated by one converter is used to power another converter or converters to move the floats or floats into a second position and for the last converter, for which no further
